

Dear All,

it is time to decide on a few issues regarding the upcoming Workshop and MC Meeting during WCC2013 in Bergen, Norway.

Please respond to this message by February 15th, 12:00 CET only if you do not concur.

A) The following list of 19 COST members will enjoy full support for the two-day COST part of the workshop. This includes three nights, meals, flights, but no conference fees.

#	Name	Talk
1	Tuvi Etzion,	Existence of q-analogs of steiner systems
2	Jan de Beule,	n/a
3	Ivan Landjev,	Rank of incidence matrices in PHS
4	Francisco Monteiro,	n/a
5	Vitaly Skachek,	n/a
6	Eimear Byrne,	On bounds for network codes
7	Jens Zumbraegel,	n/a
8	Mario Pavcevic,	n/a
9	Leo Storme,	Weighted minihypers
10	David Karpuk,	Lattice Codes
11	Ivan Blanco Chacon,	Fuchsian Codes
12	Camilla Hollanti,	Fuchsian Codes/Lattice Codes
13	Patric Ostergard,	Existence of q-analogs of steiner systems
14	Anna-Lena Trautmann,	List Decoding of Lifted Gabidulin Codes
15	Ales Svigelj,	n/a
16	Ferruh Ozbudak,	Linearized Equations
17	Thomas Feulner,	Canonical forms of ring-linear codes
18	Faruk Gologlu,	When is x^{-1} a permutation
19	Marcus Greferath,	n/a

B) The flat rate for a hotel night will be 120EUR. Early booking by February 15th has been advised by the organisers and will guarantee that this rate is sufficient. This flat rate applies (of course) to both, workshop attendees and MC meeting delegates.

C) The MC meeting will be scheduled as follows: Friday, April 19th, 13:00 till 17:00. General COST rules for reimbursement will apply.

Thanks for your attention, and I am looking forward to meeting you in Bergen.

Marcus Greferath.
