dear all,

due to a delay in inviting the 6th speaker for ghent, we missed the opportunity to include this invitation into our most recent voting for the list supported attendees.

i would hereby like to make up leeway: the MC decides to invite professor michelle effros as an expert speaker to the upcoming working group meetings in ghent (17-20 september 2013).

please respond to this by friday september 6th, 18:00 CEST only if you are opposed.

thanks in advance, and best regards.

marcus.
