Dear all,

the School on Information Theory in Estonia is rapidly approaching, and hence we will need to make a few decisions.

**A: List of Grantees:**

1. Stefano Martin (Denmark)
2. Azary Abboud (France)
3. Philippe Moustrou (France)
4. Iulia Tunaru (France)
5. Amaro Barreal (Finland)
6. Janne Kokkala (Finland)
7. Joonas Päykkönen (Finland)
8. Hannes Bartz (Germany)
9. Daniel Heinlein (Germany)
10. Markus Stinner (Germany)
11. Dushantha Arachchilage (Ireland)
12. Alessio Meneghetti (Italy)
13. Claudia Tinnirello (Italy)
14. Ashkan Kalantari (Luxemburg)
15. Gaofei Wu (Norway)
16. Yongbo Xia (Norway)
17. Francisco Monteiro (Portugal)
18. Mladen Kovacevic (Serbia)
19. Aleksandar Minja (Serbia)
20. Marek Zaharda (Slovakia)
21. Mostafa Mouawad (Spain)
22. Kyle Marshall (Switzerland)
23. Tovohery Hajatiana Randrianarisoa (Switzerland)
24. Kamil Otal (Turkey)
25. Eda Tekin (Turkey)
26. Jessica Claridge (UK)

This list was composed in intensive discussions between the organizer (Vitaly Skachek) and the two Action Chairs. Eligibility filters and the like were applied, and after that a first-come first-serve principle came to effect. We have now arrived at a stage where we have optimal diversity regarding COST-countries of

affiliation, gender, and advisors. Each grantee will receive a stipend of 500EUR for his or her travel expenses.

**B: Budget Allocation Change:**

In order to support rather more than less grantees, Vitaly has agreed on a budget re-allocation, so that 500EUR of his 2400EUR local organizer support will be shifted towards student stipend support. As you know this requires MC approval, for which we hereby ask.

Please let me know **till 07.02.2014 12:00CET only if you are opposed** to any of the two above items.

Thank you very much in advance, and best regards.

Marcus Greferath and Mario Pavcevic
