Dear all,

AsB youB might have noticed, Alfred Wassermann has succeeded Axel Kohnert in the Management Committee of this Action. He also took Axel's responsibility as STSM co-ordinator during the time

when Axel was sick in hospital. I have contacted him recently and asked if he would be willing to keep this responsibility for the coming years, and he kindly agreed.

Similarly I asked Camilla Hollanti to serve as interim working group leader of WG 5. Since Axel has died, she agreed to take this role as well for the coming years.

Both issues need MC approval, as far as I am informed. For this reason, I ask you to send me your objections **only if you are opposed** to any of these decisions. Please do so **no later than 05.02.2014, 12:00CET.B**

Thanks in advance, and best regards.

Marcus Greferath
